SUMMARY

Declares support for the reinstatement of the University of Oregon Wrestling Team.

A BILL FOR RESOLUTION

Section I.

- 1.1 *Whereas*, The University of Oregon Wrestling team has been dissolved by the Athletic Department; and
- 1.2 *Whereas*, The University of Oregon has a rich wrestling tradition as evidenced by having two NCAA Champions, 31 NCAA All Americans, and six Olympic team members, and one distinguished member of the National Wrestling Hall of Fame; and
- 1.3 *Whereas*, the administration cut the University of Oregon Wrestling Team for ‘Lack of Hometown Support’ which is deemed questionable through polling results in support of Oregon Wrestling; and
- 1.4 *Whereas*, the administration cut the University of Oregon Wrestling Team for ‘Lack of Available Workout Facility’ which is invalid due to NCAA statutes which mandate University Athletic Departments comply with providing such facilities; and
- 1.5 *Whereas*, the administration cut the University of Oregon Wrestling Team for ‘Lack of League Affiliation’ which is inconsistent because other NCAA teams at the University of Oregon also lack league affiliation,

Section II.

Be it resolved that the ASUO Student Senate, as elected representatives of the student body, officially declares support on behalf of the reinstatement of the University of Oregon Wrestling Team.
